Club communications:

I send district information emails to club officers and shorter reminders to club presidents. Instead of long emails, I now share a Google link with forms, TI resources, and guides for each goal.

Club visits:

First drafts are done for five club visitations in the two areas without Area Directors that I have visited.

September deadlines: Renewals and Club Success Plans are due September 30. Also, by

September 30, each club must submit its area contestants, a judge, and one more volunteer for its area contest.

Actions taken:

- District Director Donna approved extending Div C club contests to September 30.
- Area Contest dates are now set to help make sure contestants can attend; some still being named by Div C Clubs. Area 32 – Sunday Oct 4; A33. 34, 35 – Thursday Oct 8; Area 31 – Tuesday Oct 13.
- **Shout out** to Tracy Fletcher-Bowman! Her guide has been the most useful explanation of D39's online format. It's the kind of detailed guide D57 wrote during COVID.
- I sent three rules questions to the Chief Judge, and he answered them directly, five days later.

Volunteers:

Recruiting is hard because most of my D57 district-level contacts are now in D205. I'm happy to trade volunteer slots, and I'm attending all Area contests and the Division contest.

Goals for Next Review:

- Request help for doing area visits from experienced Toastmasters in D206 to meet deadline for submittal
- Develop a more positive outlook despite existing family situations and lack of Toastmaster leadership volunteers
