September 26, 2026

Status Summary

- Division F now has four Area Directors. Jennifer Burke recently submitted her documentation for Area 63 Director. The Division is still in need of an Area 62 Director.
- Only four clubs have registered educational achievements since the beginning of July.
- Area 64 Director has scheduled all of his club visits before the end of September and entered the information on the Toastmaster website. Area 61 Director has contacted the Area clubs to schedule visits in the coming weeks.
- Seven clubs have currently submitted their Club Success Plan and the remaining 11 are being reminded to submit it prior to the end of the month.

Progress

- The dues for Battleborn Born Blue will not be due until October 31st because they were chartered in May. The dues will adjust to the regular payment schedule in the spring.
- Reno Downtowners Toastmaster met membership requirements prior to June 30th and was not suspended. The club has acquired a meeting venue and is now meeting as a hybrid club and has grown substantially. The Chamber Club is the only club in the Division which remains online only.
- Sierra Sunrise has relocated to a permanent venue and is holding regular meetings at 7 am Thursdays.

Areas in Need of Attention

- Although some clubs are continuing to progress in educational achievements, they are not being registered in Pathways.
- Four clubs at this point have membership less than eight members. Area 61 First Nevadans took a hiatus over the summer and have had only one member renew at this time. Silver Tongue currently has only three members who have renewed. Both clubs have previously showed a base of eight and had met the goal but have not currently.
- All of the clubs in the Division started with a base of eight or greater but have not met renewal requirements.
- Five clubs still have less than eight members but have time for members to renew before the end of the month. There is an inconsistency in some clubs in regard to the method of paying dues. Some have not enabled self-pay, instructed the members how to use it, or have members who still prefer to pay by check.
